Model	Lighting modes & autonomy	Charging time	Warranty	Certification
Suniware SunAce	<p>4 modes:</p> <ul style="list-style-type: none"> • NIGHT LIGHT mode: 22 lumens – 36 hours • NORMAL mode: 60 lumens – 18 hours • HIGH mode: 100 lumens – 9 hours • SUPER mode: 240 lumens – 4 hours 	5-8 hours	2 years	Lighting global certification

EFFICIENT

- 3 to 15 times brighter than candles or bulb plugged to car battery
- Less than 4 hours required to completely charge the lamp

SAVINGS

No need to buy kerosene or to charge the car battery! The sun charges the lamp! You can save a lot of money

MOBILE

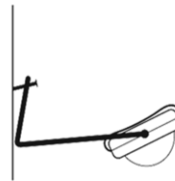

The lamp can be easily used inside the house, hang out on the wall, place on the table, to go outside when it's dark

Hand carry

Desk lamp

Room light

Hanging

CHILDREN SAFETY

Children can touch it so you can put it where you want to! No risk of fire, no smoke in home and healthy!

RESISTANT & LONG LIFESPAN

- If it falls down, the lantern is not broken.
- Battery life time is over 5 years
- If it's raining on it a few minutes, no problem

2-YEAR WARRANTY

If something is not working anymore, you can just call us and we will bring you another lantern for free!

CERTIFICATION Lighting Global

The certification "Lighting Global" is the most demanding and recognized international certification in terms of quality
